WHY WORK WITH US?

We, at **CLAE India**, are a vertically integrated company. This allows us to cater to very specific client requests and demands - at very competitive prices - while also maintaining the highest quality standards.

Keeping true to this, **all our products are completely customisable based on the clients requirements and budget**. Any and all individual items on our products - be it the outer material, colours, zip designs, corporate logos - can be customised. Feel free to ask for any changes you'd like to see incorporated. :)

All our products are proudly **Made in India**.
